Brief Description of the grant: (No more than 2 – 3 paragraphs) Elfrida Elementary teachers receive technology training/professional development ongoing within the classroom. Computer lab is scheduled daily for each grade level. Laptop "Lab Cart" [portable lab] is used in the classroom to promote the use of technology throughout the school day.

Pearce Elementary and McNeal teachers are offered training at their convenience. Elfrida Elementary Technology Trainer is available for professional development weekly.

Technology Trainer is available after school hours and on Saturdays for training in the area of technology.

Description of Professional Development Activities (25% of grant is for Professional Development): Professional development activities include inclass training along with students and inclass training during times students are working on the interactive, self-paced software programs for math and reading.

Additional training is received by teachers on 1/2 day in-service days, after school and weekends. Training includes learning the MS products such as WORD, Excel, PowerPoint, Publisher, etc., other purchased products such as SuccessMaker and Lexia Reading, and administrative tools that help measure student achievement. Additional professional development includes learning how to work with Digital Photography in the classroom, the portable laptop computer lab, the internet, and many additional software products purchased for each grade level to target individual student needs.
